MONTHLY AUCTIONS

Badger Stamp Club auctions are open to both members and non-members, as buyers and sellers. Sellers must submit the club's standard auction sale form with each item. Forms are available from the auction clerk. If help is required, the auction clerk will be happy to assist in filling out the form. Lot check-in begins during the "talk 'n' swap" (trade/buy/sell) session and must be completed 15 minutes before the general meeting. General meetings begin promptly and all want an opportunity to study lots beforehand.

Bids are taken from the floor as our auctioneer goes through each individual lot. If you are a successful bidder, please announce your name immediately, and a runner will deliver your lot to you. The auction clerk will collect your payment when the auction has concluded. Checks will be accepted.

The club retains a 5 percent commission from the seller. (Currently, club auctions in June and December are commission-free.) Sellers are paid their amount due as soon as all buyers have remitted payment. No-bid lots may be resubmitted at succeeding auctions. Any private transaction of no-bid lots listed on the auction tally for the day of said auction will be subject to the 5 percent commission to the club.

MORE ABOUT PARKING

Please DO NOT park anywhere on the north side of the Zimbrick Buick complex (the side toward the Beltline, near the carillon). This area is OFF LIMITS for Badger Stamp Club meeting attendees.

The elderly, those with difficulty ambulating, and those carrying large boxes into the meeting may park in the few spaces located southeast of the meeting room (adjacent to the used car lot and the service area, and facing Fish Hatchery Road).

The preferred parking area for meeting attendees is within a lot to the west side of the Zimbrick Buick complex. The entrance is off Bryant Road, a short north-south road between the access road and Greenway Cross. If coming to the meeting via Fish Hatchery, exit at Greenway Cross but instead of turning right onto the service road, go to the next street (Bryant) and turn right. At the end of the street, behind the Zimbrick buildings, there's a parking area on the right. Enter the building through the door leading to a hallway that goes past the offices, showroom, etc., and through the service area to the Community Room.

Thank you for complying with our parking restrictions!
